800.336.7778 | [TRAMECSLOAN.COM](http://TRAMECSLOAN.COM)

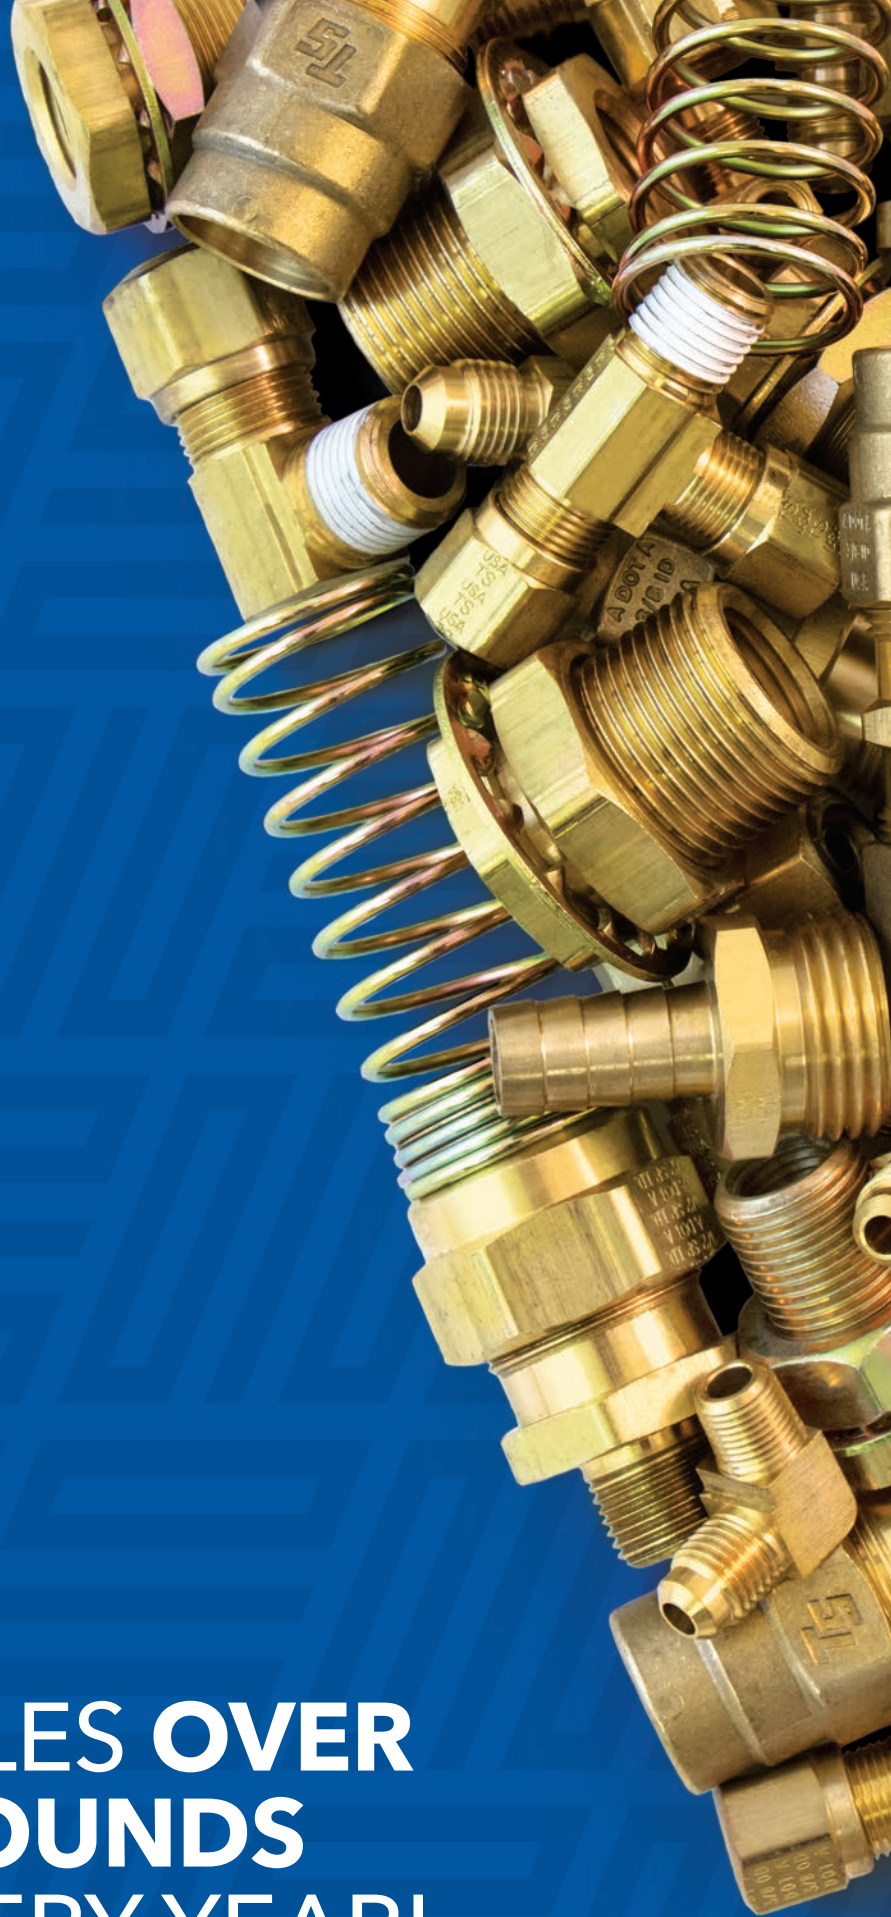

INDUSTRIAL MARKET

TRAMEC SLOAN USES  
**OVER 20 MILLION FEET**  
OF RUBBER HOSE...

**...AND HANDLES OVER  
9 MILLION POUNDS  
OF BRASS EVERY YEAR!**

## MANUFACTURING IN THE USA!

At Tramec Sloan, we take pride in the company's dedication to **U.S. manufacturing**. We know that manufacturing here creates products of a higher quality while supporting our local communities.

That's why we **manufacture more than 75% of our products** and source components we don't make from as many U.S. companies as possible.

**MICHIGAN:** This is Our Primary U.S. Distribution Location. Coiled Air, Hose Assemblies, Gladhands, and More Are Manufactured in Holland, MI.

**KANSAS:** Home of the Sonogrip, our Iola, Kansas Facility Handles the Design and Manufacturing of our Electrical Products and Air Brake Valves.

**OHIO:** Here in Galion, OH we Forge & Machine our Brass Fittings. Hose Assemblies are also Made Here Using the Same Fittings Created Just Feet Away!

# **TS** TRAMEC SLOAN

## QUALITY

Years of experience combined with American manufacturing allows us to provide the best in what we do.

For example: Hose Assemblies are made using technology to ensure **precision and accuracy**. **Hourly quality checks** are performed including pull-out, burst, and I.D. flow tests for your peace of mind.

## DELIVERY

Tramec Sloan's in-house manufacturing allows for precise, fine-tuned control over inventory. We provide **rapid order turn-around, 99% fill-rate** on thousands of line items a day!

Custom jobs are no problem either with many of our **products made to your specs and shipped out in just 48 hours!**

## PERFORMANCE

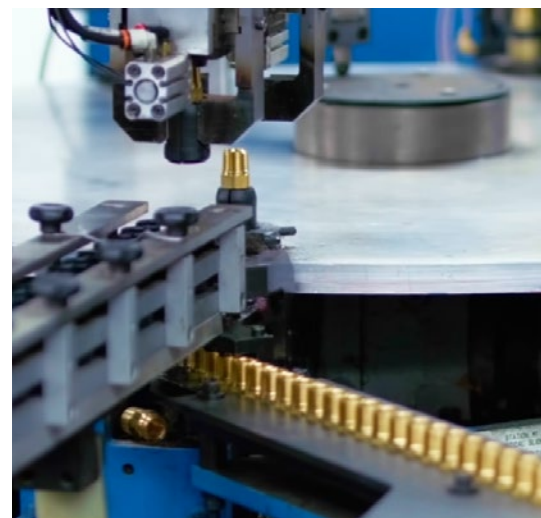

Our products are designed to stand up to tough situations. With qualities like **corrosion resistance and high durability**, you can count on Tramec Sloan to keep you working hard.

## VALUE

At Tramec Sloan, value means so much. Not only does it mean great pricing on great products, but also the support of the people and company who stand behind those products.

We like to think our customer service reps are the best in the business, and with an **average of 15 years of service** each, they've got the knowledge and experience to prove it.

We also offer **technical support and training** so you can get the most out of the products you depend on. Let us prove how much we value your business!
