

HARD WORKING PRODUCTS FOR HARD WORKING TRUCKS

Built to stand up to the harsh
conditions of the road.

HARD WORKING PRODUCTS FOR TRUCK BUILDERS

SPRAY MASTER® FULL-ROUND FENDERS POLY & METAL FENDERS AND MOUNTS

Our Fleet Engineers Division manufactures **one of the most comprehensive** spray suppression offerings available in the commercial vehicle market today. These high-quality, **American made** fenders are engineered with **advanced mounting systems** and supported by the most extensive line of frame rail mounting hardware in the industry.

SPRAY MASTER® CLASSIC FRC-19 AND FRC-22

- Offering the time-honored styling and enduring appeal of metal
- Features roll-form edges for added rigidity and radius ends to reduce cracking
- Multiple metals and finish options with ribbed or smooth skin models

SPRAY MASTER® POLY FR-22, FRX-19, AND FRX-22

- The poly material is engineered to **optimize weight-to-strength** ratios
- Includes a **Lifetime Warranty**
- Structural underside **ribs & side valances** manage road spray
- Multiple standard color options are available

SLIDE TRAX MOUNT SUPPORTS FOR FRX SERIES FENDERS

SlideTrax is a faster, drill-free installation method – **up to 10 times faster** than traditional mounts! This unique mounting system provides flexibility and stability where you need it most for simple, **mistake-proof alignment**.

Alignment is easy! Simply position the clamp anywhere along the notched channel for the perfect mount location

QUALITY YOU CAN COUNT ON.

KEEP TRUCKS ON THE ROAD LONGER WITH PRODUCTS FROM TRAMEC SLOAN

Tramec Sloan is your source for heavy-duty, high quality Air Brake Products, Spray Control, Electrical Products, Fittings & Fasteners, Cargo Control and more; most of which are made here in the USA.

Check out just a few of these great components built to keep trucks rolling on.

AIR BRAKE HOSES & GLADHANDS

EXTENSIVE LINE OF HIGH QUALITY AIR PRODUCTS TRUSTED BY OEMS FOR DECADES

For more than 40 years, air brake products have been at Tramec Sloan's core. With a long tradition of innovation and U.S. manufacturing, it's no wonder our reputation as an industry leader has persisted.

Because safety and quality are top priorities, our gladhands and hose assemblies meet DOT and SAE specs every time.

AIR BRAKE HOSE ASSEMBLIES

CUSTOM MADE TO YOUR SPECS IN 48 HOURS

- Styles and custom options to suit any need
- All of our air brake hose assemblies are **made in the United States** at 3 of our 4 manufacturing plants
- Periodic quality checks **ensure our high standards** for finished assemblies

GLADHANDS

LARGEST OFFERING IN THE INDUSTRY

- **Providing a wide variety of feature combos** to meet your specific needs including body styles, materials, finishes, seal types, ports, and more
- Many of our gladhands are designed with features that **stand up to corrosion**

MORE FROM TRAMEC SLOAN...
